

Attracted to more than one gender?

What We Do

Run a monthly discussion group

We have a peer support discussion group in Melbourne every month, providing a fun and safe space for bisexuals and their supporters. It is on the fourth Tuesday of each month, from 7:30pm to 9:30pm. Please visit the Events page on our website (www.bi-alliance.org) for up-to-date information on the venue.

Host two online groups

“Melbourne Bi Chat” provides a virtual space for general discussions about bisexuality and for forming connections.

“Victorian Bi Activism” is an online group for keeping up-to-date with bi and related news, and opportunities for activism.

Promote awareness and acceptance

We are happy to be contacted for requests to comment to the media, and to provide education to organisations about bisexuality. We can be emailed on info@bi-alliance.org.

New Members Welcome

For information about membership, please see the About page on our website.

We use 'bisexual' as an umbrella term referring to people with attractions to more than one gender. We respect all self-identifying labels, including no label.
